

Hello from Google,

Here's some important news about Google Apps—but don't worry, there's no need for you to take any action. We just want you to know that we're making a change to the packages we offer.

Starting today, we're no longer accepting new sign-ups for the free version of Google Apps (the version you're currently using). Because you're already a customer, this change has no impact on your service, and you can continue to use Google Apps for free.

Should you ever want to [upgrade to Google Apps for Business](#), you'll enjoy benefits such as 24/7 customer support, a 25 GB inbox, business controls, our 99.9% uptime guarantee, unlimited users and more for just \$5 per user, per month.

You can learn more about this change in our [Help Center](#) or on the [Enterprise Blog](#).

Thank you for using Google Apps.

Clay Bavor
Director, Google Apps
